100% On-Site Operations Staff

Capital improvement recommendations, construction, and consulting are done with longevity and quality in mind.

Sustainable buildings, solar, and a water conservation mindset are at the heart of our guidance.

We Can Help

UCCR provides 100% of the management and operations allowing you to focus on what's important – fulfilling your mission.

A sunset over a beach with silhouettes of people and a lifeguard stand. The sky is a mix of orange, yellow, and blue. In the foreground, there are silhouettes of a person standing under a beach umbrella, a lifeguard stand with two people sitting on it, and another person sitting on a chair. The overall mood is peaceful and serene.

Fulfilling Your Mission Helps Us Fulfill Ours.

Why It Matters

Your facility provides an opportunity to step away from everyday life to focus on what really matters.

Your success is our joy.

Stand confidently in the security of running a successful facility long term.

Relax into having the time and bandwidth to focus on your mission.

Take comfort in the business plan that UCCR creates for your facility.

Rest assured that day-to-day maintenance and management is in expert hands.

Impact

Our services help reduce our partner's fiscal deficits, facility management headaches, and puts an end to expensive trial and error.

Our outdoor environmental education program, WOLF School, has run successful programming for 34 years and offers nationwide project consultation.

We mitigate poor past natural resource projects such as riparian habitats, erosion control, and eradication of non-native species.

Our goal is to increase site revenue by implementing cost controls.

Our Mission

UCCR builds relationships with property owners and guests to deliver exceptional services and business resources that empower camp, conference, and retreat centers to flourish.

We are the *only* nonprofit that offers full-service facilities management services for camp, conference & retreat centers.

Partnering with UCCR

Daily operations flow seamlessly without your efforts to manage. As agents and stewards of your property, we consult with you regarding capital improvements.

Our team offers decades of fee-for-service nonprofit business experience and leadership.
